Mansi

**HOLIDAY HOMEWORK
CHEMISTRY
CLASS VII**

Instructions

- Complete all work neatly in class work notebook
- Use coloured pencils for diagrams and charts.

Part A – Answer the Following Questions

Write the answers neatly in your notebook.

1. Why should acids be handled carefully?
2. Write any four uses of acids in daily life.
3. What is neutralization reaction? Give one example.

Part B – Activity Work

Activity 1: Identify Acids and Bases at Home

Collect the following substances from your kitchen/home and test their taste or nature carefully (Do NOT taste unknown chemicals).

| S.No. | Substance | Acidic / Basic / Neutral |
|-------|----------------------|--------------------------|
| 1 | Lemon juice | |
| 2 | Soap solution | |
| 3 | Vinegar | |
| 4 | Baking soda solution | |
| 5 | Salt water | |

Activity 2: Make a greeting card using turmeric and soap solution

Materials Required:

- Turmeric powder
- Water
- Soap solution
- White paper

Procedure:

1. Make turmeric paste with water.
2. Apply it on paper and let it dry.
3. Put drops of soap solution using brush and write a message of your choice.
4. Observe the colour changes.

Part C – Fill in the Blanks

1. Lemon contains _____ acid.
2. Bases are _____ in taste.

3. Acids turn blue litmus _____.

Part D– Project Work

Write an article on any one topic:

- Natural Indicators
- Uses of Acids and Bases
- Neutralization Reaction in Daily Life
- Acid Rain and Its Effects

Use pictures, diagrams, and labels.

Part E – HOTS (Higher Order Thinking Skills)

1. Why should we not touch acid directly with bare hands?
2. Why is antacid used during stomach acidity?
3. Why are factory wastes treated before releasing into water bodies?

HOLIDAYS HOMEWORK, 2026-27
CLASS VII (ENGLISH)

1. **BOOK REVIEW ACTIVITY:** Read a story book or novel of your choice and write a book review with the theme and summary, characterization in about 200-250 words.
2. **NATURE CONNECT - RIVER WALK REFLECTION ACTIVITY.** Spend time near a natural body of water (if accessible), or observe any natural environment like a garden or park. Write a short reflective paragraph (100-150 words) on what the environment "tells" you, just like the river spoke to Jahnvi.
3. **PARAGRAPH WRITING ACTIVITY** in 200 words on :
 - a) How did I help my parents / grandparents while on summer vacation.
 - b) A memorable special assembly in the school.
4. **SELF AWARENESS REPORT - "VOICES FOR EDUCATION" ACTIVITY.** Interview at least 2 people in your family or community (parents, grandparents) about what education meant during their time and how things have changed for girls. Present your findings as a report in 200 words.
5. **STORY EXTENSION ACTIVITY - "If the King Had Not Helped....."**. What do you think would have happened if the king had not helped the wounded man? Write an alternate ending to the story (100-150 words).
6. **POSTER DESIGN ACTIVITY** on topic "Let Girls Learn". Design a colorful poster promoting girls' education. Include a powerful slogan, 2-3 facts about the importance of educating girls, and a short quote by a famous personality. (A3 chart paper)
7. To revise the syllabus & grammar topics completed in the class for Pre-Mid Term exam.
(NOTE : Activities mentioned from Sr No. 1 to 5 to be arranged in English Holidays Homework copy)
